

MER312 Fall 2016 Homework Assignment Cover Sheet

As a student at Union College, I am part of a community that values intellectual effort, curiosity and discovery. I understand that in order to truly claim my educational and academic achievements, I am obligated to act with academic integrity. Therefore, I affirm that I carried out this assignment with full academic honesty, and I rely on my fellow students to do the same.

For this assignment I understand that:

1. I **must** work alone in writing out the answers to this assignment.
2. If an algorithm is developed to solve this problem, I **must** write my own algorithm.
3. If commercial software is required for the solution to this problem, I **must** set up my own inputs, I **must** input my own data, I **must** develop my own models, and I **must** run the software on my own.
4. I **cannot** copy solutions to these problems from any person or resource.
5. I **can** discuss this assignment with other student, faculty, or other persons knowledgeable of the subject.
6. I **can** consult other references to gain further insight into the problems being asked.
7. The assignment is to be printed out and turned in prior to the start of class on the date assigned with this cover sheet attached as the first page of the assignment.
